

System Supplier for Passive Automation Technology

Industrial Ethernet Cabling Systems for all Applications and Standards

Plug Systems / Processing Technology

Inter Connection Cables for Industrial Applications

PROFINET	RJ45 copper connector Part no. 11017766, 804544, 11008569, 803841/802920, 805782, 805781, 11017443, 11017540, 805401, 805402		M12 Male connector IP67 D-coded Cat. 5, 180° or 90° outlet 	
	SKABI stripping tool for PROFINET Part no. 801497		M12 Female connector IP67 D-coded Cat. 5, 180° or 90° outlet 	
	IX INDUSTRIAL 		M12 Male connector IP67 X-coded Cat. 6_A, 180° or 90° outlet 	
	SKABI stripping tool for PROFIBUS SK Part no. 81233		M12 Female connector IP67 X-coded Cat. 6_A, 180° or 90° outlet 	
PROFIBUS	SUB-D plug, 9-pins metal IP 20, AWG 22 solid and stranded conductor, cable Ø 8.0 mm, 180°, 90°, 45°, 35° various outlets, with and without PG 		RJ45 connector IP20 Cat. 5e 	
			RJ45 connector IP20 Cat. 6_A
